Handbook Of Control Room Design And Ergonomics A Perspective For The Future Second Edition
Please create account to preview this document
The novel opens with Aunt Polly scouring the house in search of her nephew, Tom Sawyer. She finds him in the closet, discovers that his hands are covered with jam, and prepares to give him a whipping. Tom cries out theatrically, “Look behind you!” and when Aunt Polly turns, Tom escapes over the fence. After Tom is gone, Aunt Polly reflects sorrowfully on Tom’s escapades and how she lets him get away with too much.

Tom comes home at suppertime. He has been skipping school that afternoon and worries about his adventures. During supper, Aunt Polly asks about his school performance, and Tom lies about his skipping. Aunt Polly is not pleased, but Tom’s half-brother, Sid, has the idea of disguising his face, so Tom consents to the plan.

Tom goes out of the house to buy tobacco. While wandering the streets of St. Petersburg, he overhears a conversation about the town’s new arrivals, and Tom decides to check them out. He eventually chances the newcomers all the way home.

When he returns home in the evening, Tom finds Aunt Polly waiting for him. She notices his dirtied clothes and resolves to make him work the next day, a Saturday, as punishment.

On Saturday morning, Aunt Polly sends Tom out to whitewash the fence. Joe Harper by, and Tom tries to get him to do some of the whitewashing in return for a “wheat ally,” a kind of mobile. Joe almost agrees, but Aunt Polly appears and chases him off, leaving Tom alone with his task.
