International Immigration Policy A Theoretical And Comparative Analysis
The novel opens with Aunt Polly searching the house in search of her nephew, Tom Sawyer. She finds him in the closet, discovers that his hands are covered with ink, and prepares to give him a whipping. Tom cries out theatrically, “Look behind you!” and when Aunt Polly turns, Tom escapes over the fence. After Tom is gone, Aunt Polly reflects sadly on Tom’s escapades and how she lets him get away with too much.

Tom comes home at supper. He has been playing hooky all day and has been skipped school that afternoon and went instead to a field where fish could be caught. Tom’s half-brother, Sid, is also with him. He informs his aunt about the adventures of the day. Tom talks about how he was given a good whacking and how Aunt Polly is satisfied.

Tom and the boys are at the river catching fish. Tom sets out to do some more fishing, but is interrupted by the arrival of a stranger, Muff Potter. Tom has learned the shanty himself to disguise his voice, and eventually clears the strangers away.

When he returns home in the evening, Tom finds Aunt Polly waiting for him. She notices his dirtied clothes and resolves to make him work the next day, a Saturday, as punishment.

On Saturday morning, Aunt Polly sends Tom out to whitewash the fence. Jim passes by, and Tom tries to get him to do some of the whitewashing in return for a “white alley,” a kind of marble. Jim almost agrees, but Aunt Polly appears and chases him off, leaving Tom alone with his任务.

Tom comes home at supper with a black eye and blood on his clothes, and Aunt Polly is exasperated. She demands to know about his adventures. During supper, Aunt Polly tells Tom that he will be whipped for skipping school that afternoon and every Saturday morning he will have to help her at the laundry. Tom's half-brother, Huckleberry Finn, tells Tom that his mother is still alive and living in Boston, but Tom has sworn to Aunt Polly to keep that a secret. Tom's Aunt Polly is satisfied. Monday morning Tom has arranged the秕 himself to disguise his eye with a corn cob and to say that he was thrown off the fence and got hurt. Tom goes out of the house in his disguise, and Aunt Polly worriedly watches him walk down the street. That afternoon Tom and the new arrival on the street, the orphaned and penniless Becky Thatcher, chance to the内分泌 all the way home.

On Saturday morning, Aunt Polly sends Tom out to whiten the fence. Jim passes by, and Tom tries to get him to do some of the whiting. Tom gets what he wants in a “white alley,” a kind of nook. As soon as he is finished, Aunt Polly appears and chases him off, leaving Tom alone with his chores.
International immigration policy is a theoretical and comparative analysis. This list only contains journals with a primary interest in immigration, refugees, and migrant minorities.
