Introducing Philosophy God Mind World And Logic
The novel opens with Aunty Polly leaving the house in search of her nephew, Tom Sawyer. She finds him in the closet, discovers that his hands are covered with jam, and prepares to give him a whipping. Tom cries out dramatically, "Look behind you!" and when Aunty Polly turns, Tom escapes over the fence. After Tom is gone, Aunty Polly reflects sadly at Tom's misbehavior and how she lets him get away with too much.

Tom comes home at supper time. His mother has been talking in the room about her nephew, Paul Bunyan, and how he has been having adventures. During supper, Aunty Polly asks Tom if she can take him out to see the town. Tom agrees, but on the way home, Aunty Polly is satisfied, for Tom is a model boy and she feels that her efforts have been worthwhile. While wandering the streets of St. Petersburg, Tom meets Huckleberry Finn, who is a wandering and vagabond. Tom and the new arrival enter into a conversation and eventually choose the new room at the way house.

When he returns home in the evening, Tom finds Aunty Polly waiting for him. She notices his dirty clothes and resolves to make him work the next day, a Saturday, as punishment.

On Saturday morning, Aunty Polly sends Tom out to whitewash the fence. Jim passes by, and Tom tries to get him to do some of the whitewashing in return for a "white alley," a kind of suitable. Jim almost agrees, but Aunty Polly appears and chases him off, leaving Tom alone with his tasks.
The novel opens with Aunt Polly scrounging the house in search of her nephew, Tom Sawyer. She finds him in the closet, discovers that his hands are covered with jam, and prepares to give him a whipping. Tom cries out theatrically, "Look behind you!" and when Aunt Polly turns, Tom escapes over the fence. After Tom is gone, Aunt Polly reflects sadly on Tom's misconduct and how she lets him get away with too much.

Tom comes home at supper. Squire Thatcher has been telling him about his adventures. During supper, Aunt Polly gives Tom a lecture about his skipping school that afternoon and staying out late. Tom answers back and shows her that his collar is still on. Aunt Polly is satisfied, but not. Tom's half-brother, Huck Finn, arrives. Tom takes Huck's shape to disguise his appearance and eventually chases the newcomer all the way home.

Philosophy (from Greek φιλοσοφία, philosophia, literally "love of wisdom") is the study of general and fundamental questions about existence, knowledge, values, reason, mind, and language. Such questions are often posed as problems to be studied or resolved. The term was probably coined by Pythagoras (c. 570 – 495 BCE). Philosophical methods include questioning, critical discussion...

Philosophy of religion is "the philosophical examination of the central themes and concepts involved in religious traditions." These sorts of philosophical discussion are ancient, and can be found in the earliest known manuscripts concerning philosophy. The field is related to many other branches of philosophy, including metaphysics, epistemology, and ethics.

Analytic philosophy has been the dominant academic philosophical movement in English-speaking countries and in the Nordic countries from about the beginning of the twentieth century up to about the 1970s or 1980s, and possibly since then. It is distinguished from Continental philosophy, which takes its name from the European continent and is the dominant philosophy in most non-English speaking...

God is Dead. Of all the bold claims Nietzsche put forth in his life, none is more (in)famous than the idea that "God is dead." Some have mistakenly interpreted this statement as Nietzsche celebrating the death of Deity.

The Beginning of Modern Science. I expect a terrible rebuke from one of my adversaries, and I can almost hear him shouting in my ears that it is one thing to deal with matters physically and quite another to do so mathematically, and that geometers should stick to their fantasies, and not get involved in philosophical matters where the conclusions are different from those in mathematics.

A Philosophy of Education Book 1. Introduction. These are anxious days for all who are engaged in education. We rejoiced in the fortitude, valour and devotion shown by our men in the War and recognize that these things are due to the Schools as well as to the fact that England still breeds "very valiant creatures."
Future: Your future is determined by your deeds today. “Study the past if you would like to divine the future.” ~ Confucius
Your future is unknown, it was predetermined by God and is not much influenced by your deeds. “You can never plan the future by the past.”

1. Aims and Methods of Moral Philosophy. The most basic aim of moral philosophy, and so also of the Groundwork, is, in Kant's view, to "seek out" the foundational principle of a "metaphysics of morals," which Kant understands as a system of a priori moral principles that apply the CI to human persons in all times and cultures. Kant pursues this project through the first two chapters ...
