The novel opens with Aunt Polly scouring the house in search of her nephew, Tom Sawyer. She finds him in the closet, discovers that his hands are covered with jam, and prepares to give him a whipping. Tom cries out theatrically, “Look behind you!” and when Aunt Polly turns, Tom escapes over the fence. After Tom is gone, Aunt Polly reflects sadly on Tom’s misbehavior and how she lets him get away with too much.

Tom comes home at suppertime, and Aunt Polly is not in the best of moods about his adventures. During supper, Aunt Polly asks him what he did at school that afternoon and how his work was. Tom tells her that he was not skipped school that afternoon and even has his teacher’s report. Aunt Polly is satisfied. But soon, Tom’s half-brother, Sid, tells Aunt Polly that Tom is planning to ruin his sister Hagar’s reputation and eventually destroy the newcomes all the way home.

When he returns home in the evening, Tom finds Aunt Polly waiting for him. She notices his dirty clothes and realizes he made them work the next day, a Saturday, as punishment.

On Saturday morning, Aunt Polly sends Tom out to whitewash the fence. Sam goes by, and Tom tries to get him to do some of the whitewashing in return for a “white alley,” a kind of marble. Sam almost agrees, but Aunt Polly appears and chases him off, leaving Tom alone with his task.

Tom comes home at suppertime, his clothes all torn and filthy. The next day, Tom is to be whipped in the Schoolroom for what he has done. When Tom goes to school, the master warns Tom to be on his best behavior. Tom is to be whipped again if he behaves badly. Tom is not to be punished by being made to clean the Schoolroom.

Aunt Polly is satisfied.

Tom goes out of the house in a mood of gloom and whining. While wandering the streets of St. Petersburg, Tom meets Bobo, who is to be whipped for deserting his post and running away. Tom does not want to be whipped, but Tom's half-brother, Joe Harper, tells him that if Tom tells his story, Tom will be spared. Tom agrees to tell his story.

Tom and the new arrival soon become fast friends and eventually choose the newcomer as the way home.

INTRODUCTION. The theory of health as expanding consciousness stems from Rogers' theory of unitary human beings. The theory of health as expanding consciousness was stimulated by concern for those for whom health as the absence of disease or disability is not possible, (Newman, 2010).
